

Yallah! Provides a platform for young members of the Jewish community to share personal stories, events and articles relating to Sephardi and Mizrahi history and culture.

Mission statement: Through education, advocacy and social engagement Yallah's mission is to empower the Australian Jewish community to recognise the importance of Sephardi-Mizrahi history and its role in Jewish evolution, customs, history and contemporary communal life. We also help to organise yearly commemorations of the persecuted Mizrahi Jews who fled Arab lands and Iran.
